Community Commitment

- Feeding the homeless monthly, addressing food insecurity in our community.
- Hosting free monthly trainings to empower and educate the community.
- Providing the SHE-EO community for women entrepreneurs, rooted in philanthropy and sisterhood.
- Leading a weekly Virtual Freedom Class to help others build AI streams of revenue and create sustainable businesses.
- Trained seniors at the YMCA on technology, bridging the digital divide.
- Implemented virtual voting for the NAACP during COVID-19, solving a critical challenge.

Past Performance

CMG³ Technologies has successfully delivered impactful digital solutions across various industries. Due to confidentiality agreements, case studies are available upon request.

Core Competencies

- **Website & Mobile App Development:** High-performance, user-friendly digital experiences.
- **Custom Software & AI Automations:** AI-driven efficiency and cost-saving solutions.
- **Infrastructural Renovations:** Modernizing systems for security, scalability, and cloud-based integration.
- **AI Consultations & Training:** Empowering businesses with AI strategies and hands-on learning.
- **Social Media Management & Growth:** Digital marketing, engagement, and automation for business growth.
- **Legacy Platform Modernization:** Migrating proprietary systems to secure, scalable cloud environments.

Differentiators

- **End-to-End Transformation** – Seamless integration of technology, AI and marketing.
